Re: CRIM. NO. 04-30034-MAP

Your Honor:

I must ASK that you look into the affairs of our Springfield Division.

I have been held in custody without a Pretrial Services Interview or a Detention Hearing since June 23, 2004 on a novel, first-in-the-nation, AIR-Rifle Silencer Charge. That they are bringing as a Test-case, as no REAL FIREARMS are involved.

I AM A CITIZEN! I served Jury Duty in Hampden Superior Court in March, 2004! I AM NOT on parole, probation, Supervised Release, Bail, or Conditions on my other case. Why then, can I not get a Pretrial Services Interview and a Full (not "provisional") Detention Hearing before Magistrate

... Nieman, which would be appealable to Judge
... Fonsor? I have written both judges requesting
... exactly this to no avail. I also wrote my
... appointed lawyer.

... Thus I have now moved up the chain
... of command and hope you will at least send
... your clerks demanding answers.

... My next recourse I presume would have to be
... a Section 241 Petition for Habeas Corpus here in
... Rhode Island, seeking release from Unlawful
... Restraint. I was Kidnapped from the Ludlow,
... Mass. Jail where I had been held, by Wyatt Detention
... Privatized Security Guards, due to Ludlow's Complaint
... of my filing for Redress of Grievance on the Jail's
... Standard Grievance Forms regarding matters related
... to internal postage/legal mail procedures.

... Resisting these privatized Wyatt Security Guards
... has only caused me injury and torture.

...
... Respectfully yours,
... Michael Alan Crocker
